

Major	Who pre-approves courses abroad for the major?	How should students contact the person for a meeting?	What should students bring to these meetings?	What if syllabi are not available?	How many courses/credits taken abroad may be approved to count toward the major?	Additional information?
American Studies	Students should first meet with the faculty advisor for approval. They should then email the DUS with the specifics of the plan, including the information below. Any question that needs resolving will come to the DUS.	E-mail for an appointment.	Course titles, descriptions, reading lists, prerequisites, credit information, syllabi--as much information as is available.	Final course approval will depend on successful completion and submission of syllabi.	Two courses at most.
