

Major	Who pre-approves courses abroad for the major?	How should students contact the person for a meeting?	What should students bring to these meetings?	What if syllabi are not available?	How many courses/credits taken abroad may be approved to count toward the major?	Additional information?
Archaeology	DUS	Go to office hours or e-mail for an appointment.	As much information about proposed courses as possible, in English.	If no syllabus is available, then students should provide as much description as they can and be sure to save the syllabus for final approval later. Pre-approval is going to be more tentative without a syllabus or other detailed information.	No limit, but typically these only count for general Archaeology courses rather than fulfilling specific requirements, although there may be some cases where they can.
