

Major	Who pre-approves courses abroad for the major?	How should students contact the person for a meeting?	What should students bring to these meetings?	What if syllabi are not available?	How many courses/credits taken abroad may be approved to count toward the major?	Additional information?
Mathematics	Faculty advisor first and then DUS.	Go to office hours or e-mail for an appointment.	Course titles, descriptions, syllabi, reading lists, credits, prerequisites--the more, the better. All in English.	Students can submit syllabi later, as soon as they have them.	No set policy.
