

Major	Who pre-approves courses abroad for the major?	How should students contact the person for a meeting?	What should students bring to these meetings?	What if syllabi are not available?	How many courses/credits taken abroad may be approved to count toward the major?	Additional information?
Science of Earth Systems	First, students should discuss their plans with their faculty advisor and with the DUS; then they should see Savannah Williams ( <b>ss376</b> ) for formal approval.	E-mail for an appointment.	Course titles and descriptions are usually sufficient.	TBD	No set limit. Subject to SES approval and Cornell residency requirements.
