

Major	Who pre-approves courses abroad for the major?	How should students contact the person for a meeting?	What should students bring to these meetings?	What if syllabi are not available?	How many courses/credits taken abroad may be approved to count toward the major?	Additional information?
Science & Technology Studies	DUS	Go to office hours.	Course titles, descriptions, syllabi, all in English.	Syllabi required for course approval; students may e-mail syllabi from abroad to the DUS if they are unable to obtain them before they depart.	No set policy. Depends on the coursework.
