

Major	Who pre-approves courses abroad for the major?	How should students contact the person for a meeting?	What should students bring to these meetings?	What if syllabi are not available?	How many courses/credits taken abroad may be approved to count toward the major?	Additional information?
Sociology	DUS	E-mail for an appointment.	Course titles, descriptions, syllabi, all in English.	A preliminary assessment can be given based on course title and description. Students can then email the syllabus when they have it (often when they get to the university/college where they will be studying) and the course can be reviewed.	2 courses per semester abroad, maximum of 4 toward the major.
