Reserve in advance
Contact: blh98@cornell.edu

These are planned events for Tanner Dean’s Scholars. The University’s Cornell Days events are listed separately and will help you make the most of your visit to campus. For parents and students with time, we suggest a walk to the beautiful Botanical Gardens, a climb up to the top of the Clock tower, a visit to the Ithaca Commons, or the Fuertes Observatory (if you will be around after 8PM on Friday).
